Hiring Manager

Head of Human Resources
Adiussoft Cambodia

St.Preah Monivong Blvd,
Sangkat Boeng Keng Kang
III, Boeng Keng Kang,
Phnom Penh.

Dear Hiring Manager,

I am writing to express my interest in the Frontend Developer position at Adiussoft Cambodia, as advertised. With a background in Information Technology from PNC College and a strong passion for frontend development, I am excited about the opportunity to contribute to your team.

During my two years of study at PNC College, I delved into various aspects of Information Technology, and it was during this time that I discovered my passion for frontend development. I was particularly drawn to the creativity and problem-solving aspects of crafting intuitive user interfaces and enhancing user experiences.

I am eager to bring my skills and enthusiasm for frontend development to Adiussoft Cambodia. I have experience with HTML, CSS, JavaScript. Additionally, I have honed my ability to collaborate effectively in team environments and adapt to new technologies and methodologies.

I am impressed by Adiussoft Cambodia's commitment to innovation and dedication to delivering high-quality products. I am confident that my skills and passion for frontend development make me a strong candidate for this role, and I am eager to contribute to the continued success of your team.

Thank you for considering my application. I am looking forward to the opportunity to discuss how my background, skills, and enthusiasm align with the needs of Adiussoft Cambodia. Please find my resume attached for further details.

Sincerely,

Senrin Sim
